'There's a new girl in town,' says Joe, and soon Steve is out looking for her. Marietta is easy to find in a small town, but every time he sees her something goes wrong ... and his day goes from bad to worse.

Sally is always running; and she has her phone with her all the time: at home, on the train, at work, at lunchtime, and at the shops. But then one afternoon suddenly she has a different phone ... and it changes her life.

'How does it work?' Jack asks when he opens his present – a mobile phone. Later that night, Jack is a prisoner in a taxi in the empty streets of the dark city. Now he tries his mobile phone for the first time. Can it save his life?

When Tonya and her friends decide to sail around the world they want to see exciting things and visit exciting places. But one day, they meet an orca – a killer whale – one of the most dangerous animals in the sea. And life gets a little too exciting.

You are in a small plane, going across the Rocky Mountains. Suddenly, the engine starts to make strange noises ... Soon you are alone, in the snow, at the top of a mountain, and it is very, very cold. Can you find your way out of the mountain?
